JP Morgan Agile Game

- The JP Morgan Agile game will be on Wednesday 25th November in the afternoon
- It lasts three hours-ish and will run from 1.30pm
- There is a 45 minute introduction to the use of Agile methods in JP Morgan and then the game which lasts two hours.
- Probably run in P102 (we will inform you).
- We have had some final year students volunteer, (we announced in MiC and WS units) but we really need another 14 or so.

- Will be a staff team (if I can get enough people free)
- *Don't volunteer if you think you won't come – you will take someone's place*
- *Please contact Mel if you want to do it.*
